

Chick Home Activity

On Monday 26th February, we will be receiving an 'eggciting' delivery...

Chicks will arrive in egg form and be situated in an incubator in the classroom!

We would love for your child to express their creativity by making signs, crafts or other creative pieces of work which can be displayed in our Chick Area of the classroom.

Please bring your child's creations in from Monday 26th February.

Here are some ideas to inspire you! Thank you 😊
