

<p>Science Week</p> <p>This week we will be celebrating Science Week. This will include the annual poster competition as well as completing an open ended experiment.</p>	<div>   </div> <p>Year 6</p> <p>Dear Parents / Carers,</p> <p>.The children have coped well with the practice run of SATs that we have completed this week and it has been great to see improvements from the previous assessments that we've completed.</p>	<p>Reading / Fluency Practice</p> <p>Anytime spent reading and discussing books, or completing some operation examples as per the letter we sent out at the end of last term would be hugely beneficial.</p>
<p>Forest School</p> <p>We are not going to Forest School this week.</p>	<p>A splash of colour yesterday with World Book Day. Not many children will be able to say that they've completed a Maths paper wearing their pyjamas!</p>	<p>Reading</p> <p>We are more than happy for children to bring in books from home but a name in them would be helpful. We will visit the library on a Friday if your child continues to read books from there.</p>
<p>English</p> <div>  <p>In English this week we shall be starting a unit on the poet, John Agard, whose influences focus around his heritage and the discrimination that he has faced in his life.</p> </div>	<p>On a separate note, Well Done to those children who represented the school at the Quicksticks hockey tournament on Tuesday. Finishing 6th out of 20 schools was a real achievement with some great hockey played in the process.</p>	<p>PE Sessions</p> <p>Currently the children need to have their PE kits in school all of the time but our scheduled PE days are on <u>Monday and Thursday.</u> If we can encourage children to have their earrings out on these days, and any long hair will need to be tied back.</p>
<p>PSHE</p> <p>We have started our SRE unit this week and will continue to look at how relationships develop into adulthood.</p> <p>We have encouraged the children, if they have any questions, to ask at home or there will be boxes in class that the children can put in anonymously which may be deemed appropriate to share in class.</p>	<p>Maths</p> <p>In Maths this week, we shall be starting a unit on ratio.</p>	<p>Communication</p> <p>Please do contact us if any issues creep up or you need clarification on something, please feel free to contact myself, Mr Smith (Panda Class Teacher) or Mrs Freeman (Tree Kangaroo Class Teacher).</p> <p>Mr Smith – dsmith@waterbeach.cambs.sch.uk Mrs Freeman – cfreeman@waterbeach.cambs.sch.uk</p>
