Rhinos, Elephants and Meerkats Team Letter

End Spring Term 2024/Summer 2024

Rhinos
Miss Pritchard

Elephants
Miss D'Uva

Meerkats
Mr Stafford

The purpose of this letter is to give you important information about the term ahead. You will find details about home learning, reading books and other documents that you will be receiving to help you to support your child in their learning. There is also information about the exciting things that your child will be learning next year. A copy of this letter and other useful information will be posted on the school website.

EXCITING THINGS THE CHILDREN WILL BE LEARNING IN THE SUMMER TERM...

Our topic for this term is **Oceans and Explorers**. We will begin the topic with Geography by naming and locating the 7 continents and 5 oceans of the world. We will explore the physical and human features of France and compare these with features of Waterbeach. In Science, we will continue to explore the seasons by looking at Summer. We will explore the signs of the season, what the weather is like, what clothes we wear and how these compare to the previous seasons. In Art, we will explore the technique printing and make our own printed sea pictures. In Music, we will learn and sing songs about seas and oceans.

After half term, we will travel back to the past and look at the achievements of Amelia Earhart, the first female aviator to fly solo across the Atlantic Ocean. We will compare her to Bessie Coleman, the first African- American woman to hold a pilot license. In Science, we will explore classifying animals into different groups such as mammals, fish, birds, reptiles, and amphibians. We will learn why they fit into that group and what they eat. In DT, we will explore mechanisms and how leavers and sliders work, before making our own moving picture. In Music, we will make the most of the good weather (hopefully!) and be outside learning to sing playground games.

More information about our curriculum

More information about the curriculum content can be found in our [‘Curriculum Captures’ \(click here\)](#) on the school website. These are useful for parents to see the content of what is being taught and to use this information to help support your child at home.

EATING & DRINKING

Children should bring a named bottle with WATER ONLY for them to drink during the day. Juice is not permitted to be drunk throughout the day (only with their lunch). Please, please do not put water bottles in book bags, we have had so many reading and home learning books ruined due to leaking bottles. You may wish to purchase a separate bottle carrier that attaches to the side of the book bag.

SNACK & LUNCH

Children will continue to have a fruit snack provided by the government. All children in Year 1 are entitled to Free School Meals. Please help your child to make their choice for school lunches by sharing the menu with them before school. The [school lunch menu can be found here](#).

PE

PE days for all classes are Thursdays and Fridays

Children should have a PE kit consisting of: their house colour T-shirt without buttons, dark plain shorts, jogging bottoms, a jumper and a change of shoes for outdoors. No jewellery should be worn during Physical Education lessons including swimming. It is also not safe to cover earrings / studs / sleepers with tape. If children wear earrings to school they need to be able to remove them themselves for PE lessons. If your child is unable to do so, earrings should be removed before coming to school. We advise that if you are going to allow your child to have their ears pierced, that this is done at the start of the summer holidays so that their PE entitlement is not compromised. We ask that all PE kits are kept in a drawstring bag and are left in school. We send home PE kits at the end of each half term for washing during holiday time. **PLEASE LABEL EVERYTHING! As per the school policy, we record if a child does not have their PE kit with them and send a letter home if it is repeatedly forgotten.**

MUDDY MONDAYS

Year 1 will be going to the woodland area on a Monday. Please look on the weekly Learning Sharing for information on which classes will be going for the week ahead. On these days children should come to school dressed in old clothes that are suitable for getting mucky and practical for activities such as climbing trees and den building in all weathers. Dresses are not appropriate for Muddy Monday. Children should also bring a change of shoes, preferably wellies with them on Mondays to wear whilst they are in the forest area. Please make sure they wear their normal school shoes to school. Wellies can be kept in school if you wish.

HOME LEARNING

Reading: Each week the children will bring home a Little Wandle Reading book linked to the child's phonic knowledge. This is a book that they should 'show off' and celebrate their reading with you after they have three reading practise sessions in school. **It is important to return this book to school every Monday.**

Children will also bring a 'choice/sharing' book home from our library which we ask you to read to your child and share the pleasure of reading a book together. It is important to aim to read daily to your child and share the pleasure of reading and discussing books with them.

COMMUNICATION

We aim to have open communication channels to keep you informed about everything that is going on in school and to give easy access to speak to us if needed.

Ways we can communicate:

School/team letters – all letters are sent via email.

Weekly learning sharing – every Friday an email is sent out to give you an overview of what the children will be learning about the following week, this may also have important notices on.

Website – we hope the website is a good reference source, if there are things that you would like to see included, please let us know.

Email – you can send emails to your child's class teacher or team leader. The protocol is that teachers will respond within 3 working days. If you need a more urgent response, then you can leave a message with the school office or send a note to your child's class teacher.

Meerkats Class Teacher and Joint Team Leader – Mr Stafford astafford@waterbeach.cambs.sch.uk
Joint Team Leader – Miss Gregory – cgregory@waterbeach.cambs.sch.uk

Appointments – if you would like to arrange a meeting with your child’s class teacher, please contact them via email.

Concerns – if you have any concerns about an issue within the class, please email or speak to the class teacher in the first instance. Then if needed concerns can be raised with the team leader, Mr Stafford, or Miss Gregory. If necessary, you may then wish to contact Miss Green or Mrs Ogilvie.

Summer Term Key Dates

We aim to keep to these dates but occasionally due to circumstances beyond our control, they may need to change.
